Information und Communication Technology

2010

## 150'000 CHF

### for the best ICT-project

to launch your business!

The Ark Foundation, the TechnoArk technology site, and the Sierre municipality have combined to organise the first competition for the Prix TechnoArk-Ville de Sierre. This award aims to promote the development of projects which will result in the creation and expansion of information and communication technology (ICT) enterprises.

The Prix TechnoArk - Ville de Sierre will be awarded to the most promising and innovative ICT project, and will consist of a cash prize plus some practical assistance.

The ultimate aim of the competition is to develop new areas of expertise within ICT at the TechnoArk site.
